

Thank you for purchasing OLIGHT products. Before use, please read the manual carefully.

Table with 5 columns: Mode, Turbo, High, Medium, Low, and Moonlight. Includes icons for brightness levels and battery life indicators.

Table with 5 columns: Mode, Turbo, High, Med1, Med2, Low. Includes icons for brightness levels and battery life indicators.

The top output changes along with the battery voltage. When the voltage goes down, the top output will go down too.

BATTERY INSTALLATION
Remove the product from the packaging. Before your first use, please check the tailcap. If the battery needs to be changed, make sure that the negative polarity side of the battery faces toward the direction of the flashlight head.

Table with 5 columns: Mode, Turbo, High, Medium, Low, and Moonlight. Includes icons for brightness levels and battery life indicators.
